If you are

- **Stuck in a rut but afraid to make a change .....**
- **Lack motivation and direction.....**
- **Worried that life has disappeared from work/life balance then....**

We will share our secrets and insights gained from coaching top performing people such as business leaders, entrepreneurs, authors, artists, and media gurus.

All you need is a telephone land line to participate and you will be instantly connected to a group of like minded individuals who want to ask questions, support each other and turbo charge their lives.

Over the four weeks you will find out effective ways of plotting a powerful pathway to the future you desire. Armed with these tools you will be able to focus on exactly what it is that you want, plan a route to your goal and deal with the obstacles that get in your way, whether it's confidence crises or the fear of career change, so you can seamlessly segue yourself to where you want to be.

If you really want to create the next level of wealth, happiness and success in your life then read on. By joining these classes you will learn how to

- Set goals that drive you forward effortlessly and increase your effectiveness and productivity
- Handle the money
- Have more time to enjoy life

- Take care of your self and increase your natural power and energy
- Eliminate barriers to success
- And much, much more!
